

A Letter From the

Festival of Banners Committee

Art is in the air! Art is everywhere! That is our hope for the Mount Pleasant area, including the City, Union Township, Shepherd and Winn. This is our seventh year of sponsoring the Festival of Banners, first conceived as a way of engaging community members in an effort to beautify our communities. The participation of our painters, both young and old, has been tremendous. It is gratifying to see the pleasure and pride that they take in their finished products.

Again, 333 banners will be prepared and displayed on light poles throughout the county. They will bring color, imagination and talent to our area and will remain in place until early fall. Art Reach of Mid Michigan is proud to be the sponsor of this event and great credit goes to the staff members and volunteers who participated in the months-long process of planning and executing the event.

It would not be possible to put on the Festival of Banners without the support of many organizations and individuals. Their names are displayed on the back of the banners. Also important is the participation and cooperation of the local schools, our municipalities, especially Union Township for the use of Jameson Hall where the banners are painted. It is our hope that you will take the opportunity to view the banners and to enjoy the efforts of the many painters who participated in this artistic event.

Cordially,

The Festival Banners Committee

George Rouman - Chairman John Jensen
Kathy Hill Don Holland
Jae Evans Erik Spindler
